TOWN OF CHATHAM

Updated 12/6/17

PRIVATE ROADS SNOW REMOVAL POLICY

The following are the minimum standards to prevent damage to Town equipment during snow and ice removal. If private roads do not meet these requirements for the winter of 2017 / 2018, plowing and sanding services will not be provided.

- The travel lane for any private road shall be no less than (12) feet wide.
- Roadside clearance of any obstacles including vegetation shall be no less than two (2) feet either side.
- Height clearance shall be no less than (12) feet from the road surface.
- There must be ample room for emergency vehicles to turn around if the road is a dead end.
- Paved or unpaved private roads shall have no defects (potholes or ruts) exceeding two (2) inches in depth.
- All private ways shall have a visible street sign, and be open to the public.
- The Highway Department will perform yearly inspections of all private roadways each September and a reinspection in the first week of December which will be posted in the Cape Cod Chronicle.

The following roads have failed inspection and must be brought up to these standards in order to receive snowplowing and sanding services this winter.
